Big Bend National Park Specialty Plates for Motorcycles

The Chihuahan Desert wilderness of Texas is displayed on a new motorcycle specialty license plate available to the public. Motorists can now support the Big Bend National Park by purchasing a motorcycle license plate in addition to the passenger and light truck license plate previously available. Big Bend National Park motorcycle specialty license plates are available from the Texas Department of Transportation (TxDOT) and the (COUNTY NAME) County tax assessor-collector's office. TxDOT and the (COUNTY NAME) County tax assessor-collector's office are pleased to introduce the new motorcycle version of the Big Bend National Park specialty plate.

"Texans are proud of the Big Bend National Park and take advantage of the many ways to enjoy it. The funds the specialty plate generates support preserving the park," said (NAME), tax assessor-collector for (COUNTY NAME) County.

The Big Bend National Park specialty license plate displays an agave bloom against the back drop of the Bocfecillos Mountains and a blue sky. The graphic is located on the left side of the plate, with the words "Big Bend National Park" running across the bottom.

The Big Bend National Park motorcycle license plate is available to motorists for a \$30 annual fee, plus \$40 if personalized, in addition to regular vehicle registration fees. Of the \$30 annual fee for the Big Bend National Park specialty license plate, \$22 is credited to an account administered by the Texas Parks and Wildlife Department for the improvement and preservation of Big Bend National Park. Featuring some of the most remote and rugged terrain in the Southwest, Big Bend Park encompasses two mountain ranges containing ancient extinct volcanoes, precipitous canyons, and waterfalls. The 337,000-acre park spanning Brewster and Presidio counties has a 35-mile track of scenic gravel roads for vehicles and several miles of designated 4-wheel drive trails.

Applications for the Big Bend National Park specialty license plate are available at county tax offices, on TxDOT's web site (www.dot.state.tx.us), by calling the TxDOT Help Desk at (512) 465-7611, or TxDOT's Fax-On-Demand forms line at (888) 232-7033. Customers requesting orders for specialty license plates through the fax service should enter the code 0999 to receive the form for the license plate they are ordering.

TxDOT started its specialty license plate program in 1965. Today, there is a wide variety of different plate designs, many of them benefiting a particular group, organization, college or university. Since 1994, more than \$10 million has been raised for sponsoring organizations, colleges or universities.
